# Modul-System

**Som kunde av Modul-System** kan du være sikker på at du har gjort et klokt valg. Vi har over 40 års erfaring i bransjen og har arbeidet med sikkerhetsprogrammet vårt i mange år. I dag bruker vi noen av verdens mest velrenommerte sikkerhetssentre til utførelse av kollisjonstester, bl.a. Volvo Cars Safety Centre.

Men erfaring alene er ikke nok. Evnen til å tenke fremover og det å ta seg tid til å forstå hver enkelt kundes behov er like viktig. For hvert enkeltutviklingsprosjekt har vi møter både med kunder og sluttbrukere, noe som gjør at vi kan skape nye og innovative produkter.

## Kvalitetssikret til siste detalj

Våre produkter oppfyller kravene i den europeiske standarden TÜV. Via ISO 9001-sertifiseringen kan vi sikre kvalitet på hvert eneste trinn fra utvikling og produksjon til salg, levering og kundeservice. Dette gjør at vi kan tilby 5 års garanti på alle de produktene vi lager selv. I tillegg har vi også bransjens raskeste og mest pålitelige leveranser.

## Modul-System Service Centers

Vi har i mange år hatt et etablert og bredt nettverk av Service Centers over hele Europa. Hvert Service Center er en autorisert forhandler med den ekspertisen som kreves for å dekke dine spesielle behov, fordi personalet til fulle forstår produktene våre og hvordan de skal monteres i bilen din. De kan også levere veggog gulvkledning, elektronikk og tilbehør, f.eks. belysning, lastsikring og takbøyler.
